April 11, 2005

Mr. John Pick  
Executive Manager  
City of Salisbury  
N. Division Street  
Salisbury, MD 21801

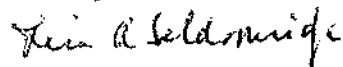

Dear John,

I am writing to indicate my interest in serving on the Marina Committee for the City of Salisbury. I have lived in Salisbury for the past 16 years in a riverside property. As an avid boater, environmentalist, and former seasonal tenant at the Port of Salisbury, I have a keen interest in the health of the Wicomico River and the prosperity of the marina. I would welcome the opportunity to provide input to the City Council and Mayor's Office through this committee.

Attached is my curriculum vita. Since I am an academic, it is probably much longer than necessary for your purposes. In addition to the community service noted, I have been a volunteer for several community organizations including the Chesapeake Bay Girl Scout Council, Mid-Delmarva YMCA, Chesapeake Bay Foundation, and various elementary and high schools. I have also served on two committees for the City of Salisbury-the community block development grant evaluation committee (2005) and the fire chief search committee.

If you need further information as you deliberate about appointments to the Marina Committee, please contact me at 443-235-1803 or [laseldomridge@salisbury.edu](mailto:laseldomridge@salisbury.edu).

Sincerely,

Lisa A. Seldomridge
