John Jacobs

December 16, 2003

Thank you for your interest in me as a member of the City Park Committee. After giving this matter considerable thought, I would be very happy to serve a one-year term.

I have been an Ophthalmic Technician for almost 14 years, the last 7 of them at the Azar Eye Institute. My job involves constant patient contact, and requires me to work independently while still being a "team player". Impeccable record keeping and respect for patient privacy is an important part of my chosen career.

Although I have only lived in Salisbury for a few years, I love my adopted home and knew I wanted to live near the City Park. I grew up spending much of my time running through the woods in Pennsylvania, and now as an adult I have spent countless hours running through the City Park. I enjoy each and every one of them.

I have also always believed in giving back to my community. Before moving to Salisbury I lived in Berlin, where I was a volunteer firefighter/medic for four years. I was the top EMS responder in 1996, and placed second in 1997. I also had the honor of being elected EMS Captain, the first female in the fire company's history to hold this position.

After moving to Salisbury I met my future husband, John. He encouraged me to run with him and I found a new passion. I met many people through the many races we ran, and helped to reorganize the Eastern Shore Running Club, of which I am the current secretary. Besides the usual secretarial duties, I write a weekly email and a monthly running column for the Daily Times entitled "The Runaround".

John and I married in 1990 and moved into our home on Sheffield Ave. I began to attend the neighborhood meetings hosted by Mayor Tilghman, as well as some of the Neighborhood Roundtable Meetings. I have a strong interest in the City Park, not only as a neighbor but as an individual who loves the outdoors and sees so much potential in this beautiful island in the city. Please consider me as a candidate for this new committee. It would be an honor to be a member.

Sincerely yours,

Tricia Kowalewski
