

RESOLUTION NO. 1780

A RESOLUTION OF THE COUNCIL OF THE CITY OF SALISBURY,
MARYLAND AUTHORIZING TEMPORARY TRAVEL-LANE SHIFTS
AND CLOSURES ON ISABELLA STREET TO FACILITATE
IMPROVEMENTS TO THE CITY OF SALISBURY'S
INFRASTRUCTURE FOR PUBLIC SAFETY AND CONVENIENCE.

WHEREAS, the City Council adopted rules for temporary travel-lane shifts and closures for the City's streets and highways to ensure public safety and convenience with Resolution 1023; and

WHEREAS, George & Lynch, Inc. (Contractor for the City of Salisbury) was granted Change Order #2 to Contract # 102-09 for the construction of water, sanitary sewer, storm drain, curb, gutter, sidewalk, and paving restoration within City-owned rights of ways and utility easements of Isabella Street from the limits of the original work zone to 40' West of Walker Street inclusive of the Isabella and Lake Street intersection; and

WHEREAS, the revised scope of work will require 60 days to complete; and

WHEREAS, the City Council rules established in accordance with Resolution 1023 require a City Council resolution authorizing temporary travel-lane shifts and closures in excess of 30 days for City roadways;

NOW, THEREFORE, BE IT RESOLVED that the Salisbury City Council approves the temporary travel-lane shifts and closures on Isabella Street for a period not to exceed 60 calendar days in accordance with a traffic control plan associated with Change Order #2 submitted by George & Lynch, Inc. and approved by the Department of Public Works in accordance with the standards of the Manual of Uniform Traffic Control Devices (MUTCD).

THE ABOVE RESOLUTION was introduced and duly passed at a meeting of the Council of the City of Salisbury, Maryland held on this 27th day of April, 2009 and is to become effective immediately upon adoption.

Making a Difference!*

April 9, 2009

Memorandum to the City Administrator through the Director of Public Works

Subject: Temporary Travel-Lane Shifts and Closures

Purpose: To provide information to the Mayor's Office and City Council on a proposed extension and revision to the temporary road closure and lane shifts on Isabella Street.

Discussion:

- Resolution #1745 was approved by the Salisbury City Council on December 22, 2008 for temporary travel-lane shifts and closures on Isabella Street from Mill Street to Lake Street. The resolution was approved for a total duration of 130 days.
- Change Order #2 for contract # 102-09 was approved by Salisbury City Council on March 9, 2009 and subsequently issued to George & Lynch Company, Inc.
- Change order #2 revised the scope of work to include water, sewer, curb & gutter sidewalk and paving work on Isabella Street which extended the limits of the original work zone to Walker Street inclusive of the Isabella and Lake Street intersection.
- The Traffic Control Plan for this project has been revised to include the extended work zone and time required to perform the additional work; therefore a new Resolution is being submitted to the Salisbury City Council for approval.
- George & Lynch is requesting a 60 day time extension to the original Traffic Control Plan to facilitate the revised scope of work approved in Change Order #2.
- The aforementioned construction improvements take place within City-owned rights of ways and utility easements.
- Central Alarm will be contacted by the SHA Bridge Tender when the Route 50 drawbridge is scheduled to be raised; therefore allowing 4 hours advance notice to emergency vehicular traffic when both Isabella and Rt. 50 are impassable at the same time.
- I have reviewed the requested time extension and revised Traffic Control Plan inclusive of pedestrian controls and am recommending approval as submitted.

Unless you and the Mayor have further questions, please forward this memorandum and attached resolution to the City Council. For any additional questions you may have, I can be reached at (410) 548-3170 or by e-mail at fennis@ci.salisbury.md.us

RESOLUTION NO. 1745

A RESOLUTION OF THE COUNCIL OF THE CITY OF SALISBURY, MARYLAND AUTHORIZING TEMPORARY TRAVEL-LANE SHIFTS AND CLOSURES ON ISABELLA STREET TO FACILITATE IMPROVEMENTS TO THE CITY OF SALISBURY'S INFRASTRUCTURE FOR PUBLIC SAFETY AND CONVENIENCE.

WHEREAS, the City Council adopted rules for temporary travel-lane shifts and closures for the City's streets and highways to ensure public safety and convenience with Resolution 1023; and

WHEREAS, the George & Lynch, Inc. (Contractor for the City of Salisbury) will be constructing marine bulkheads, water, sanitary sewer storm drain improvements and restoration in the City-owned rights of way and utility easements of Isabella Street which will require temporary vehicular travel-lane shifts and closures of approximately 130 days in duration; and

WHEREAS, the City Council rules established in accordance with Resolution 1023 require a City Council resolution authorizing temporary travel-lane shifts and closures in excess of 30 days for City roadways.

NOW, THEREFORE, BE IT RESOLVED that the Salisbury City Council approves the temporary travel-lane shifts and closures on Isabella Street for a period not to exceed 130 calendar days in accordance with a traffic control plan submitted by George & Lynch, Inc. and approved by the Department of Public Works in accordance with the standards of the Manual of Uniform Traffic Control Devices (MUTCD).

THE ABOVE RESOLUTION was introduced and duly passed at a meeting of the Council of the City of Salisbury, Maryland held on the 22nd day of December, 2008 and is to become effective immediately upon adoption.
