## Objective

My goal is to serve the City of Salisbury by educating people on the benefits and responsibility of recycling. I would be most honored to work with those on the current Recycling Committee, Mayor Ireton, Mr. Caldwell from Public Works, and members of the City Council. Not only do we need to encourage the citizens to use good recycling practices, we also need to work with businesses and encourage them as well. Using examples of 'Best Practices' and sharing those ideas while encouraging implementation will help move us forward.
