Dear Mayor and City Staff:

I read in the Daily Times that a new member is being sought for the Salisbury City Park Committee. My deep interest in our city lands and what they become is the reason I am sending this offer to serve to you.

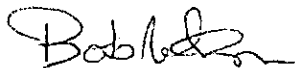

My name is Bob Nelson and I have been a resident of Salisbury since 1960, not counting the four years I served in the Air Force in Texas and North Dakota. I attend the concerts in the park each summer and go for walks along the park paths many times each year. I grew up visiting the park in winter to ride the slopes and played with toy boats in the fountain as a child.

My education is in planning, which has allowed me to be an employee of Wicomico County (3 years), Ocean Pines (2 years), Worcester County (8 years), and Ocean City, where I am a town planner of four years. I graduated from the Salisbury University Geography Department in 1990, serving as Vice President and President of their Geographic Society. Dr. Brent Skeeter was one of our members and currently serves as the department's chairman. The Ocean City Planning Office is about to sponsor two of Dr. Skeeter's students as interns for this summer season.

I have resided on Monticello Avenue in Salisbury for over 11 years. I am offering my time and abilities to you in hopes of improving how our city-owned lands are used with the funds we are allotted. Please consider this offer with the knowledge that someone who has known this city since birth as their home could appreciate and value this resource as the asset it has always been.

Please feel free to call me at work at 410-520-5377. I will be available nearly every evening after 5:30 P.M., the time I usually arrive home from Ocean City.

Sincerely,

Bob Nelson
