SUBJECT: Acceptance of Citizen and Business Donations for the Frances J. Tilghman Memorial Dog Park totaling \$5,326.64 to date

Attached please find a Resolution to accept the donations totaling \$5,326.64 to date from citizens and local businesses to be used for the construction of the Dog Park previously planned on land at the east end of the City Park designated for this purpose.

The city has accepted donations for the dog park at various city events, and from donation jars placed around the area at businesses that support the dog park. We have also offered engraved bricks at the park for a donation of \$50 and memorial benches for a \$250 donation. These donations have grown to over \$5,000.00. Combined with the \$10,000.00 Program Open Space grant we have received and the approved donation of \$25,000.00 from the M. W. Tilghman Family, these contributions will ensure that the Dog Park is fully funded.

Construction of the park is expected to begin within thirty days.

Please submit this Resolution to the City Council for the May 24<sup>th</sup>, 2010 meeting agenda. Thank you for your assistance.
