**Re: Active Board Member of the Salisbury Building Board of Appeals  
City of Salisbury, Maryland**

Dear Mr. Holland:

I appreciate that the City of Salisbury, Maryland's Mayor and City Council are considering my position as an Active Board Member for another term renewal.

Although the Board's "Rules For Procedure" does not define a Board Member or Officer's renewal process, I am merely responding to your telephone conversation request to reply in writing as to what my desire is, in reference to serving on the Board for another year(s)/ term.

My files do not show a document stipulating the exact date that I was accepted as a Board Member, but I do have a copy of the first case as far back as the year 2000. Also in my file is a Reappointment letter dated July 21, 2005 from Mayor Barrie P. Tilghman, which extended my term until the present.

I am willing to except another term on a three (3) year basis, which is stated in Article VI, Section 17.12.090 of the City's of Salisbury Municipal Code. If this proposal is acceptable to the Mayor and City Council, then we all agree.

It has been more than a pleasure to help resolve issues of importance in our City, which will ultimately make our community a better place to live. My service is from the heart, ever stressing "pride of place" in where we live and work.

If this letter is acceptable to you, please notify me at your earliest convenience to confirm this position. Thanks for this opportunity to be of service to you.

Sincerely,  
Thomas W. Hayes, AIA, MD Registration #9245
