Subject: CCDC committee

I wish to extend my term of service on the CCDC committee chaired by Karen Reddersen for another three year term.

I previously served the City as Board Chairman of the Friends of Poplar Hill Mansion and as my term in office has expired, I still assist in the historic restoration in the mansion.

I'm currently retired, but my career background includes 35 years of corporate management in various aspects of finance, budgeting, project management, research, contract negotiations, and staff management.

Served on several community organizations in Rochester, NY associated with community development, community improvement, and historic community preservation.

Attended workshops and seminars associated with various aspects associated with property taxation, restoration and neighborhood retail expansion.

Served as a volunteer on several projects with Salisbury University involving data processing, horticulture and Salisbury Symphony.

Thank you,
Marshall Zugehar CCDC committee member
