RE: City Park Committee Member Position

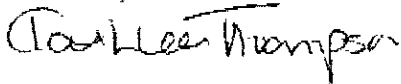

To Whom It May Concern:

I am interested in applying for the City Park Committee Member Position. I moved to Salisbury five years ago and live on North Park Drive, directly across the street from the park.

Since the park is so convenient to me, I spend a good deal of time there. I am very interested in its upkeep and development. Many times a week, I go over with plastic bag in hand and pick up trash as I walk. During the time I spend there, I have seen how much the park is appreciated by both residents and visitors alike. It is such a gem for Salisbury, providing a multifaceted recreational area for so many.

I plan on living by the park for many years and would like to help in its oversight. Please consider me for this position and thank you in advance for your consideration.

Sincerely,

Kathleen Thompson
