Memorandum for John Pick, City Administrator

Subject: Resolution for Approving Speed Limit Reduction on Beaglin Park Drive

Attached is a resolution to lower the speed limit from 40mph to 35mph on Beaglin Park Drive from South Schumaker Drive to Hannibal Street.

THE TRAFFIC GROUP, in their August 25, 2010 Beaglin Park Traffic Study recommended reducing the speed limit and correcting design issues on a portion of Beaglin Park Drive between Hannibal Street and South Schumaker Drive, within City limits. The improvements will address accidents along this segment. The recent mill and overlay project along with the speed reduction will help reduce these accidents. Wicomico County will reduce the speed on their section of Beaglin Park Drive from Glen Avenue to South Schumaker as well.

A copy of THE TRAFFIC GROUP's recommendations is available for your review. Unless you or the Mayor has further questions, please forward this memorandum to the City Council. For any additional questions you may have, I can be reached at 410/548-3170 or by e-mail, tgardner@ci.salisbury.md.us.
